Attention:
 Office of Petitions

Dear Sir/Madam:

This renewed Petition under 37 CFR 3.81(b) is submitted in response to the Decision on Petition ("Decision") dated December 18, 2006 dismissing a previous Petition mailed on October 19, 2006. A copy of the Decision is attached hereto. The Decision dismissed the earlier Petition stating that the requirements under 37 CFR 3.81 have not been met because "a completed certificate of correction has not been filed."

Petitioner respectfully submits a completed Request of Certificate of Correction (PTO/SB/44) along with the present submission. Accordingly, applicant respectfully submits that the requirements under 37 CFR 3.81(b) are met, and respectfully request granting the petition to correct the assignee name. As noted in the previous submission, the failure to correct the typographical error of the correct assignee name on the PTOL-85B form was inadvertent.

No fee is believed due in connection with the present renewed Petition. Evidence
